25X1 7. [redacted] Made an appointment to meet with Mrs. Harman, Assistant to Representative Gale Schisler (D., Ill.), when she returns to the office tomorrow concerning the Congressman's transmittal of October 8 relating to correspondence received from [redacted] of Berwyn, Illinois.

25X1 8. [redacted] Met with John Gomien, Administrative Assistant to Senator Everett Dirksen (R., Ill.) concerning correspondence from [redacted]. I reviewed with Mr. Gomien [redacted] telegram to the White House, Mr. Houston's response of 30 July, [redacted] post card response to Mr. Houston, and other correspondence by [redacted] and members of Congress. Mr. Gomien thanked me very much for coming by and discussing the matter with him and indicated that he would be closing the file on this subject.

25X1 9. [redacted] Met briefly with Col. Glenn Smith, Senate Preparedness Investigation Subcommittee, who requested for Miss Dorothy Fosdick of Senator Jackson's staff a copy of the September paper on Soviet economic growth which had been provided the Joint Economic Committee. Advised Col. Smith that I would drop a copy off to her tomorrow morning.

25X1 10. [redacted] Met with Mr. William Gulledge, Senate Post Office and Civil Service Committee, with regard to certain points of legislation pending before the Committee. Mr. Gulledge advised that the Committee has not yet met in executive session on the pay bill but plans to do so tomorrow. Previous meetings on this subject were canceled. Mr. Gulledge noted, in passing, that he expects that the bill relating to retirement annuity increases would receive favorable action as well as the bill providing mailing privileges for military forces.

25X1 11. [redacted] In response to his request, I provided Jay Sourwine, Senate Internal Security Subcommittee staff, the scant information which we had on [redacted] indicating that he had been [redacted] 25X1 [redacted] in the midst of Dominican rebel groups and there appeared to be little doubt that he had associated himself with them. I also left with Sourwine several maps of the Dominican Republic and one of Santo Domingo. With respect to the latter, I informed him that at the request of the Army Map Service, utilization of this map was limited to Official Use Only.
